"What's cool is that God has opened up a platform through winning to talk about Jesus Christ, the greatest treasure of all. Why do we want to win? I know the brothers on the team, they want to win to glorify God and tell more people about Jesus Christ."

"Jesus is the greatest treasure in the Universe ... it's not like you give up your life and get something worse," says Seto. He continues, "We had nothing, he (Jesus) gave us everything ... Jesus is better than anything ... even better than the Super Bowl or an NFL career."
